Principal Attends Leadership Course In Edmonton

A. F. Psikla, Principal designate of the County Central High School, is one of 59 school principals meeting at Concordia College in Edmonton for two weeks beginning July 5 to study problems of educational leadership in local communities. His membership in this special leadership course for school principals, being conducted as a part of the University of Alberta Summer Session, is sponsored by the County of Vulcan School Committee.

The Course is a co-operative venture of the Alberta School Trustees' Association, the Alberta Teachers' Association, the Council of School Administrators, the Alberta School Inspectors' Association, the Alberta Department of Education, and the Faculty of Education, University of Alberta.

Fifty-six city, county, divisional, and independent Alberta school systems will be represented. Representatives from the Saskatchewan Teachers' Federation, and the Alberta Teachers' Association will also be in attendance.

Within the overall aim of working toward better education, the course is intended to serve four purposes: (1) to provide an opportunity for principals to become better informed of emerging trends in the organization and administration of education at the school level; (2) to provide the setting for intercommunication of educational ideas and leadership practices; (3) to provide an opportunity for the co-operative solution of problems peculiar to the principalship; (4) to provide an opportunity for individuals to obtain assistance and advice regarding their own unique problems and to form plans for later local action.

Shower Honors Kirkcaldy Bride

Seventy-five friends and relatives honored Mrs. Robert Cummins (nee Miss Joanne Carnegie) at a miscellaneous bridal shower on July 3, in the Kirkcaldy Hall. Pink and white streamers with gay summer flower bouquets decorated the hall for the occasion. The bride was placed at the seat of honor with her mother Mrs. Elva Carnegie and the groom's mother Mrs. Art Turley.

Two contests were held, one of them being won by Mrs. Bob Todd. A skit performed by Mrs. Evan Munro, Mrs. Bill Murray and Mrs. Arthur Jones was enjoyed by all. Miss Nettie Ware presented the many gifts to the guest of honor with the best wishes from her many friends. Miss Linda Bateman, Mrs. Andrew Trotter and Miss Lorena Carnegie assisted in the opening of the gifts.

Joanne thanked her friends for the lovely gifts and invited each to visit them in Kamloops.

A tasty lunch was served by the hostesses.

The roadrunner is a member of the cuckoo family.

GORDON MARSHMAN

Proud winner of the calf which was raffled through the spring by the Vulcan Elks Lodge and drawn for at the recent 4-H Calf Show and Sale is 15-year-old Gordon Marshman, shown above. Gordon's father, Howie, is just about the best ticket salesman in the country and, presuming he bought one for his boy, he had a chance to enjoy the pleasure of the other end of this raffle business. The calf weighed 926 pounds but was not a pet for long. It's conversion into cold cash began when it was shipped to the packers.

Historical Society Impressed With Museum

A tour of the Little Bow Museum with host Commodore Allen on Sunday, June 20 was particularly relished by the above group. They are members of the Willow Creek Historical Society and the purpose and interest of this society fits in well with the surroundings in which they found themselves.

Seated, wearing a white hat is Mrs. Douglas Stavelly, president of the society which has members from High River all the way to Pincher Creek in the south.

This group, which makes a study of this country's early history, appeared surprised and delighted at the number of items on display and the interesting manner in which they are presented. Also enjoyed was the commentary by Commodore and the fascinating stories related to many of the museum pieces. The visitors are presently having a booklet printed concerning the society, its members and other historical data, and secretary Vilda Ohler of Claresholm was hopeful that others in this area

might take an active interest in this historical body.

History was brought up to date during the afternoon as host Commodore met for the first time in 40 years, his old school teacher, the president of the group, Mrs. Douglas. She was his teacher at Queenstown in 1920, back when Commodore had more hair than he now supports and it can be imagined volumes could be written about the days this reunion recalled.

County Committees Hold Regular June Meetings

SCHOOL COMMITTEE

The regular June meeting of the School Committee of the County of Vulcan No. 2 was held Monday, June 7. Chairman of the Committee, J. M. McKay, presided. Committee members F. N. Thurber, E. E. Burris, A. McAllister, George Moses, Earl Erickson and Ray Wellman were present, and Secretary-Treasurer D. D. McQueen.

It was noted that the name of Mrs. Hazel Meadows was not included in the list of teachers who were appointed to the permanent teaching staff, and the secretary-treasurer explained that Mrs. Meadows had been appointed at a previous meeting.

The members of the School Committee were saddened at the passing of the principal of the County Central High School, Herbert H. Mumby, who suffered a fatal heart attack on Friday, June 4. Mr. Mumby, a valued member of the teaching staff of the County School System for five years, had contributed a great deal to the education of young people of the area. He was a dedicated teacher and friend of all his pupils. His passing is a great loss to the County of Vulcan School System and the community. Mr. Mumby had previously resigned his position as principal owing to poor health and had agreed to remain as a teacher on the staff.

Note—The funeral was held from the auditorium of the County Central High School on Tuesday, June 8. Rev. Geo. Calvert, Bishop of Calgary Anglican Church, conducted the service assisted by Rev. Victor Cowell of the Vulcan St. Aldhelm's Church. School was closed for the day. Some 700 sorrowing friends attended. The body was interred in Lethbridge.

It was moved and carried that Fred Cartwright be appointed acting principal of the County Central High School to complete the present school term ended June 30, 1965.

It was moved and carried that Don Jantzie and D. R. Brown be appointed acting vice-principals of the County Central High School to

complete the present school term ended on June 30, 1965.

Don Green interviewed the School Committee in respect to in-service training for physical education. Mr. Green outlined the proposal as follows:

Proposals of Physical Education In-Service Training Committee:

1. That a Physical Education and Extra-Curricular Coordinator be appointed and paid for his or her time that must be spent doing this job properly.

2. That the County purchase about one dozen pairs of track shoes which students could rent for \$2.00 per year.

3. That the County purchase sports equipment that be kept in a pool for use throughout the County.

A letter from Harry Washburn asked that the Vulcan Junior Band arrangements be renewed for the ensuing 1965-66 term. It was moved and carried that the band be authorized to use the elementary school in the same manner as the past term.

A motion was passed to authorize Mr. Hawkesworth, superintendent, and Mr. McQueen, secretary-treasurer, to have charge of the disposition of County teacherages.

A letter from Duane Binning, principal of the Arrowwood School, was read. The letter recommended that the county make arrangements to move the grader shed from the school grounds as this was a hazard to the safety of the children, and also that the basketball part of the school grounds either be repaired and made safe or removed. The committee also suggested that the old garage be torn down and the yard cleaned up.

The School Committee was of the opinion that the removal of the grader shed would be a matter for the Municipal Committee, and it was stated that Mr. McKay would recommend that this be looked after. Mr. Burris was authorized to make a satisfactory disposition of the other requests in respect to the cleaning up of the

Only Minor Injuries Suffered In Car Crash

An Edmonton woman and her two small children miraculously escaped with only slight injuries in a one-car accident at about 5:15 p.m. Sunday, July 4.

The driver, Mrs. Patricia Ann Rispin, lost control of her 1965 model car as she rounded the curve just south of Vulcan on Highway 23, went into the ditch and back onto the road, where the car somersaulted and ended flat on its roof on the highway.

Passing motorists extricated the three occupants, brought them into town and notified the police. Mrs. Rispin and her two children, aged three and six, were examined and treated at the hospital by Dr. A. D. Tompkins and were found to have suffered only slight scratches and bruises. Damage to the new car was estimated at \$1,500.

The accident was investigated by Const. H. Purdy of the RCMP, who was assisted by Chief Const. Moyer of the Vulcan Town Police in directing traffic around the wrecked car until it could be cleared from the highway.

Visitors Impressed With Golf Course

President Irma Middleton and Thelma Haverly were hostesses last week when Mrs. Helen Harkwell of the Calgary Country Club and Mrs. Katie Wilson of Henderson Lake Club, Lethbridge, enjoyed a round of golf, for the purpose of rating the Vulcan golf course for the Canadian Ladies Golf Union in which the ladies club now holds membership. The rating was set at 70.

The remarks made by these ladies were: "It was a pleasure to rate such a well laid-out golf course, with such wide fairways. It has a good potential, particularly if grass greens come into being — and we look forward to again playing your course."

Mondays are ladies days. Bring along your holiday guests and keep in mind July 19 for the Ladies' Golf Tournament.

Perennial Champion

Wellman Wins Again At Foothills Golf Tourney

When Ray Wellman of Vulcan first started winning the Men's Championship of the Foothills Golf Tournament back as far as 1939, little could he realize the stranglehold he would have on the same tournament 25 years or so later. On Thursday and Sunday, July 1 and 4, at Nanton, playing some of the best golf of his career, Ray completely dominated his three match play opponents winning all

ion, Don Kitchen, Nanton.

Third—Jim Keeley, Nanton; W. McKay, Nanton; Consolation, R. Little, Nanton.

Fourth—B. DeRoaldes, Nanton; L. Stapely, Nanton; Consolation, D. Will, Nanton.

Fifth—C. V. Stewart, T.V.; N. Hawk, Nanton; Consolation, G. Racher, Nanton.

Doris Creighton of Nanton won the Ladies' Championship Flight over Sheila Hedley of Turner Valley after an extra hole. Mary McKeage of Nanton won the consolation. Other ladies winners were:

First—R. Bassett, Claresholm; D. Keenan, Champion; Consolation, P. Dobbie, Stavelly.

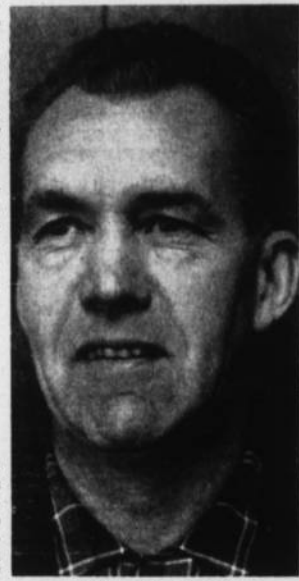

Second—J. Sakatch, Claresholm; B. Ransom, Nanton; Consolation, E. Carlin, Claresholm.

Cecil McIlvride of Nanton won the Men's Event held for the first time this year and Steve Yonda of Nanton was runner-up.

Also new this year was a Junior Tourney and Jim Doyle, Nanton was a one stroke winner over Craig Brown of Vulcan.

Winners of the mixed Two Ball were Vi Bird, T.V., and Dan Watson, Vulcan, with Daisy Keenan of Champion and Norm Pettie of Vulcan getting second spot.

Next year's tournament is to be held in Claresholm. Towns competing in the Foothills Tournament that has now been going for about forty years are, Turner Valley, High River, Nanton, Stavelly, Claresholm and Vulcan.

RAY WELLMAN

his 18 hole matches 6 and 5. His final win over his nephew, Gordon Stauffer of Turner Valley, was his best as Ray was three under par when the match ended. This is the seventh time in the past nine years that "Old Silver" Wellman has won this tournament. Jake Berger of Nanton won the consolation of the Men's Championship flight. Other flight winners were:

First—Gary Hart, T.V.; G. Bouzyan, Stavelly; Consolation, M. Quinlan, Claresholm.

Second—R. Brewster, Nanton; Joe Keenan, Champion; Consolation, D. Will, Nanton.

Mrs. E. A. Zang, Alston Pioneer, Dies At Calgary

An early homesteader of the Alston district southwest of Vulcan, Mrs. Elizabeth Ann Zang, aged 88, died at Calgary June 24, 1965.

Born at Carlyle, Cumberland, England, she came to Neepawa, Manitoba in 1882 and in 1905, with her husband the late Julius Zang, homesteaded at Alston and farmed there until 1939. Mrs. Zang had resided in Calgary since that time. She was an adherent of the First Church of the Nazarene.

Surviving are three daughters, Mrs. J. (Mary) Reath, High River, Mrs. C. (Margaret) Johnson, Blackie, and Miss Pearl Zang, Calgary; six grandchildren and 15 great-grandchildren; a sister, Mrs. Margaret Andrews, High River, and two brothers, Joseph Wannop, Nanton, and Albert Wannop, Vancouver, B.C.

Services were held at the First Church of the Nazarene, Calgary, on Monday, June 28, and committal services were held at the family plot in the Alston cemetery.

Rev. C. J. Muxworthy officiated.

Tractor Goes To Milo Farmer

Lucky winner of the draw for the International Cub Cadet Tractor, donated to the Vulcan Recreation Centre Committee by Willard Equipment Ltd., was Bob Umscheid, well known farmer of the Milo district. Mr. Umscheid, who had three tickets on the tractor, intends to make good use of his prize in the farm garden and for tree cultivating. He is shown

above, right, officially accepting the garden tractor from Frank Wythe, secretary of the Recreation Committee. Mr. Umscheid's 2 sons, Gary (in the driver's seat) and Lorne, figure the tractor is just the right size for them. The tractor draw brought in \$735 in ticket sales for the benefit of the proposed Recreation Centre.

Hot Weather Speeds Growth

"Just what was needed" best describes the weather of the past week. The crops are making excellent growth under the influence of 80-above weather, with little or no wind and lots of moisture in the ground.

There are reports of a heavy rain shower in the Ensign district Sunday afternoon and a few light, scattered showers elsewhere in the county, but the past week has generally been hot and dry — the

first such week this year.

The Alberta Wheat Pool crop reports from points through the County of Vulcan mostly note that conditions are good and crops are doing nicely. Moisture conditions are the best in years. The detailed rainfall report is as follows:

FROM THE LEGISLATURE

(By J. Wally Strang)

Last week an Edmonton magistrate went out on a limb and criticized our outdated laws pertaining to juveniles. I'm sure the remarks of the magistrate must have caught many of the older and much more experienced magistrates with red faces.

The magistrate who made the remarks is a relatively newcomer to the judicial system — and yet in just over a year on the bench he sees enough faults in our laws to go out and openly criticize the obsolete legislation.

I am sure that anyone who has spent much time in the courts will agree that our laws are outdated insofar as juveniles are concerned — but how about the minor laws pertaining to such things as motor vehicle infractions. While I endorse a revision of the juvenile act — why don't the province's magistrates do a little more soul searching into the problems in which they have a definite control.

As an example a minor thing like a parking ticket can bring anything from a five to twenty dollar fine. If the magistrates like the look and presentation of a defendant — he can usually get off quite lightly — but if the poor victim likes to speak his piece — he's dead. But perhaps our entire judicial system needs a study as I am sure many thousands will agree — that today it seems to be that now the onus is on the accused to prove himself innocent — whereas the onus used to be on the crown to prove an accused guilty.

the board looked for a theme to tie their hat onto. When they decided to adopt the Klondike theme — the city and province for that matter got behind the project and we were off and running. Now the board has a copyright on Klondike Mike and anyone who uses his little picture in the media must pay a royalty — which is probably why you don't see Klondike Mike around as much this year.

As one prominent advertiser told me — why should we promote the Klondike and then pay a royalty on top? — he is right.

TROUBLE AHEAD

The RCMP are being pressured to take action involving a cabinet minister — the instigators behind the action say they are prepared to take their problems to Ottawa if they are not satisfied at home — Look for a major story to break within a month — it involves Rest Homes in which relatives of government individuals are involved — Am told the recent folding of Atlantic Acceptance is causing some concern in government circles — and that other finance companies are also in trouble — we'll see.

Lawrence Orchard of Vulcan district is another of the old car fans and his 1931 Model A Crown Victoria Coupe has been appearing at parades and rallies for some years.

Above he is shown driving his old favorite to first place at the McGregor Race Meet parade.

Heading for the wire are two chuckwagon outfits, Merle Anderson leading Ken Tanner, at the recent Lake McGregor Race Meet

evening performance. Races both evenings were free of casualties but there were some close calls Friday night when dust from fly-

ing hooves at the infield turn from the barrels left some outfits running blind at that crucial point.

Couple To Reside At Champion Farm

A wedding of wide interest was solemnized at St. Anne's Catholic Church, Calgary, Saturday, June 26, when Mary MacLellan, daughter of Mr. and Mrs. Malcolm MacLellan, of Antigonish, N.S., exchanged nuptial vows with Robert Bach, of Champion, son of Mr. and Mrs. A. E. Bach of Calgary. Rev. Father Marien, of Vulcan officiated at the double-ring ceremony. Rev. Father Lowing was in the Sanctuary, while Gregory, Randall, and Donald Bach, nephews of the groom, and Donald Forsey, were alter boys.

The bride, given in marriage by a friend of the family, Frank McKeough, (formerly of Antigonish) was lovely in a bouffant gown of white peau de soie, over taffeta; topped by a fitted bodice, featuring an off-the-shoulder neckline, and lily-point sleeves. Her chapel veil cascaded from a cap headdress, and misted to below shoulder length. Imported Alcon lace appliques, glistening with sugar pearls and sequins, added the perfect decorative touch to gown and veil. She carried a white prayer book under a corsage of red Sweetheart roses, and cascading rose buds. Her only jewellery was a single strand of pearls, a gift from the groom.

Complementing the bride's gown was that worn by her matron-of-honour, Mrs. Harold Bach. Blue georgette sheer floated gently over taffeta, into a gown with a slim A-line skirt, with back fullness. The bodice featured short sleeves and a scooped neckline. A ring coronet with floating tulle completed her attire. Her bouquet was pink carnations, and trailing taffeta ribbons.

Little Michele Bach, niece of the groom, was darling in bouffant pink sheer, with pink and white accessories. She carried a basket of pink carnations and white satin ribbons.

Harold Bach, of Calgary, brother

of the groom, was best man, and the guests were ushered into the church by Leonard Bach of Claresholm, and John Mullan of Calgary.

Mrs. McKeough, representing the bride's mother, chose a beige linen suit with white accessories, and wore a white corsage with silver glitter. Mrs. Bach, the groom's mother, was attired in a deep pink and white, two piece dress, with white accessories. She also wore a white corsage with silver glitter.

The bridal party entered the church to the strains of the Nuptial Wedding March played by Mrs. John Mullan, the groom's sister. During the Mass, and again during the signing of the register, the grooms sister, Mrs. John Hunziger, of Champion, sang "Panis Angelicus," "Ave Maria," and "Oh

God of Loveliness."

After the ceremony, the guests and bridal party gathered at the home of Mr. and Mrs. John Mullan, where a delicious luncheon was served.

For their honeymoon in Banff National Park, the bride donned a pink suit with white accessories. Upon their return the bride and groom will reside on the grooms farm at Champion, Alberta.

Junior Citizen Awards

Readers of the Advocate are reminded that the deadline for nominations for the 1965 Junior Citizen Awards is July 31.

Our nominee last year, Lynda Dann of Vulcan, not only was a top-rated winner of one of Calgary Power's Junior Citizen of the Year awards but was also awarded the Mountbatten Medal for outstanding bravery in saving human life.

Possibly there is an individual youngster or a group of youngsters in the county who would rate a Citizenship Award this year. An achievement worthy of such recognition may be an act of physical heroism, outstanding work with some organization, scholastic success in the face of adverse circumstances, accomplishment under the handicap of physical disability or illness.

Six Alberta nominees are chosen each year. If you know of a suitable nominee, the editor of the Advocate will be glad to help you prepare the nomination and send it in.

IN MEMORIAM

LUCAS— In loving memory of Lionel who passed away July 7, 1963.

For many years our family circle
Was closely linked together
But oh, that chain is broken now.

One link is gone forever.
Days of sadness still come over
Tears in silence often flow
For memory keeps him ever near us.

Though he died two years ago.
—Ever remembered and sadly missed by his loving wife and children, mother and father, sisters and brothers. 48-1nx

SHIMP— In loving memory of Calvin B. Shimp who passed away July 9, 1949.

We often think of days gone by,
When we were all together;
A shadow o'er our lives has cast.

Our loved one's gone forever.
—Ever remembered and deeply missed by wife Myrtle and family. 48-1p

CARDS OF THANKS

We would like to express our sincere appreciation and heartfelt thanks to neighbors, friends and relatives who through Howard's illness for so many years have helped so much and at the time of his passing for the many cards, flowers and expressions of sympathy, food, etc. We are truly grateful. A very special thanks to Mr. and Mrs. George Wisener for their many kindnesses at this time.

—Mrs. Gerry Foster and family, Vulcan. 4-1p

A special thanks to Mrs. Hess and Dr. Koziol for their much needed help and kindness throughout the period of Howard's illness.

—Mrs. Gerry Foster and family, Vulcan. 48-1p

We express our sincere gratitude to all our friends, neighbors and relatives for their expressions of sympathy and kindnesses. Many thanks for the cards, flowers and your presence at the graveyard of our beloved mother, Mrs. Zang. A special thank-you to those who dug the grave, etc., and those who prepared and served lunch or helped in any way.

—Pearl Zang, Margaret Johnson and Mary Reath. 48-1nx

CARD OF THANKS

I wish to express my sincere thanks to all my friends for their many cards and gifts, also to the doctors and staff at the hospital during my stay there. 48-1x

FROM OUR CORRESPONDENTS

LOMOND

Pastor and Mrs. Wayne Berg of Lomond have returned from a convention of the Evangelical Lutheran Church held at Camrose June 21-25. With the approval of its parent body, the American Lutheran Church, the Evangelical Lutheran Church in Canada will become autonomous Jan. 1, 1967. The church has 352 congregations in Canada. A motion was also passed at the convention that would open the way for the autonomous church to discuss possible merger with other Lutheran groups.

County Committees Hold Regular June Meetings

(Continued From Front Page)

old shed and the baseball grandstand.

The members of the committee inspected two samples of a jacket which would be worn by the Vulcan students who are going on the Centennial trip to Churchill, Man., and decided to buy the good blazer and that pupils be asked to contribute the sum of \$10 as their portion of the cost. It was also decided to have a crest made from the new county crest which was on display.

The committee also decided to purchase white hats and crests for the students who are entertaining those that are coming to the Vulcan area, and also present white hats to the visitors.

The secretary-treasurer read correspondence from Stevenson & Associates in respect to the repairing of the Milo roof and members of the committee also had an interview with C. K. Opheim, a roofing specialist selling Texas Refinery Co. products. It was moved that the county purchase roofing products from Texas Refinery Co. for material to do the Milo roof.

The matter of the Lomond School chimney was discussed again and it was noted that the chimney had not been repaired and fixed to the satisfaction of the School Committee, and that there had been conflicting stories regarding what should be done. It was suggested that the secretary-treasurer write to the insurance company and have the fire underwriter inspector come to Lomond and make an inspection

of the chimney together with a recommendation.

It was moved and carried that the resignations of V. H. Wellman and A. R. Bailey be accepted with regrets.

It was moved by Mr. Erickson and carried that the following staff appointments be made: Lucianne Trick, New Dale Colony; Ronald Hiltz, Junior High, Vulcan; Martin Horne, Physical Education; Mirra Olson, Vulcan; Walter Black, Lomond.

It was moved and carried that this fall term commence on Wednesday, September 1, 1965.

Mr. Hawkesworth recommended that Mr. Burton, guidance counselor, who has had an opportunity to meet the Guidance Director of the Viscount Bennett School in Calgary on June 23 in Calgary, be authorized to go to Calgary on this date. No substitute teacher would be necessary. It was moved and carried that this authorization be given.

It was moved and carried that Mrs. Opal Kandi be authorized to visit Vancouver for the seminar on data processing, June 21 to 26, and recommended that her fare and living costs be provided. No substitute would be necessary.

Dr. Ellis of the Foothills Health Clinic wishes to hold a guidance clinic in one of the Vulcan schools in August. This was authorized.

MUNICIPAL COMMITTEE

The regular June meeting of the Municipal Committee of the County of Vulcan No. 2 was held on Monday, June 7. Those present were Ivan Haga, Chairman, A. Ulrich, Frank Hubka, and D. A. McNiven.

The members of the committee discussed the matter of purchasing a spray system for the Bros Spreeder and Mixer. The price quoted by the Ferguson Supply Alberta Division was the spray system — \$2,990, and installation costs — \$250, plus one liquid additive metering system totalling device showing total number of gallons processed and feet per minute indicator — \$356, estimated installation cost \$30. It was moved and carried that the committee recommend to the County Council that this equipment be purchased for the sum of \$3,300 plus installation costs.

It was moved and carried that the paving contract on the Lomond Road with the Department of Highways be approved and recommended to the County Council for execution. It was also recommended that the County make application for the Department of Highways for a similar agreement on

the eight miles of road east from the junction of Highways 23 and 24.

It was noted that the 1965 Highway Grant for ordinary road building purposes was \$144,000 and that the agreement would be entered into shortly.

Some discussion was held over the Alberta Government telephones buried cable program, and it was noted that the telephone company was applying to have the cable now buried in the roadway two to three feet in from the shoulder of the road. It was felt that this was a better idea than having the cable buried in the ditch, and the committee agreed to this procedure on the understanding that the telephone company would stand the cost of repairing any culverts which were damaged through the installation of the cable.

Some discussion was held over an extra patrol for the paving crew. It was noted that the county has a spare patrol which is kept for emergencies. It was decided to make this a spare machine available to the paving foreman.

It was also decided that the construction crew would be authorized to do certain work for the Highway Department at the Junction between Highways 23 and 24 if it doesn't interfere with the county's own road building program.

COUNTY COUNCIL

The regular June meeting of the Council of the County of Vulcan No. 2 was held on Friday, June 11.

Jack Deitz, Reeve, presided and councillors F. E. Hubka, J. M. McKay, I. Haga, F. N. Thurber, D. A. McNiven, R. S. Irwin, A. W. Ulrich, A. McAlister, and Earl Erickson were present. Also present at the meeting was D. McQueen, secretary-treasurer.

A letter from the PFRA of Fort Macleod in respect to a proposed dam to be built on the Richardson property was read. The letter advised that as soon as arrangements are made easement will be obtained and other matters attended to before any final commitment is made. It was moved and carried that the County of Vulcan apply to the Department of Water Resources for a permit to construct the Richardson Dam.

A letter from the Water Resources Department in respect to a proposed public well on the J. F. Murray property was read. The letter stated that the Department of Water Resources would not undertake any expenses in this project and that the water users and the county would be required to pay the total cost. The councillors took note of this information

and re-affirmed its decision to assist the water users in this area by contributing to the cost of the well. Council did authorize the Municipal equipment to do the necessary work building a road and also levelling the site.

Some discussion was held over the shed for the patrol at Arrowwood. It was noted that the shed was adjacent to the school, which was a matter of concern for the principal of the school and he had suggested that some arrangements be made to locate this shed off the school grounds. This matter was left to the Municipal Committee for its decision.

A letter from the superintendent of the CPR in respect to removal of the fences on the CPR right-of-way on lands belonging to E. H. and W. J. Griffin was read. It was moved and carried that the council would agree to the removal of these fences providing the owners' approval is obtained.

A letter from the Secretary of the Transport Commissioners, Ottawa, in respect to closing to public use, the railway crossing immediately north of the station at Ensign was read. It was moved that the council not agree with the CPR proposal.

A delegation consisting of Ben Brown and D. Johnson from the Village of Carmangay Council interviewed the council in respect to the matter of the county making application to the Local Authorities Board to annex certain lands which are now within the Village of Carmangay. This matter had been discussed with the council on previous occasions and the council was sympathetic to the Village of Carmangay's request at the time when assurances were given to the county that title to the lands to be annexed would be vested in the name of the County of Vulcan No. 2. The members of the delegation advised that it was no longer agreeable to them to transfer the lands to the County of Vulcan and felt that the county should annex the lands without having title to it. This matter was discussed for a considerable length of time and a motion was made that the county make application to the Local Authorities Board to annex the land as requested. This motion was put and declared lost.

It was moved and carried that this matter be again brought before the council at the next meeting.

It was moved and carried that the secretary write to the Department of Highways and request information as to whether or not the government would build the access road from Highway 23 to the boundary of the Village of Carmangay.

The matter of the division of the county's share of Centennial Grants was discussed and it was noted that a number of villages are proceeding with plans to obtain a grant. It was moved and carried that the matter of the county's share in Centennial Grants be tabled for one month.

Mr. McKay reported to the council, matters in respect to the affairs of the schools for the past month. Mr. McKay noted that the teachers' salary negotiations had been practically completed and would be confirmed within a few days.

There had been fairly good response to the county's teacher advertising and it was hoped that practically all staff positions would be filled within the next few days. Mr. McKay also reported on the

progress of an application to build additions at Arrowwood and Brant, and it would likely be necessary to have another conference with the department officials in Edmonton.

Reference was made to the matter of acquiring extra right-of-way for road allowances and a request was made that the price that the county was offering for the land be stated on the agreement which the owner is expected to sign. At the present time, the agreement states that the payment would be three times the assessed value and it was felt that if the amount was stated on the agreement it would solve difficulties and make them easier to obtain. Assurances were given to the council that this would be done.

Hypertension, otherwise known as high blood pressure, should never be neglected. A doctor should be consulted as soon as symptoms are noticed. This condition is often an indication of other ailments and should be diagnosed and treated as soon as possible.

Miss Pat Hoffman Guest Of Honor

Thirty-five friends and relatives gathered at the home of Mrs. Howard Spaeth on June 29, to honor Miss Patricia Hoffman whose marriage to William Kimberg will be an event of July 10, at Grimshaw, Alta.

A contest won by Mrs. Elva Carnegie preceded the presentation of gifts to the guest of honor. Mrs. Ivan Haga read a humorous poem in presenting a tow-boat laden with the gifts. The bride-elect was assisted in opening her gifts by her aunt Mrs. Laura Palmer and her cousin Shirley.

Miss Hoffman thanked her friends for the lovely gifts and extended a welcome for each to visit them in their home at Vancouver.

Lunch was served by the hostess, assisted by friends.

BALE TWICE AS FAST WITH HALF THE LABOR!

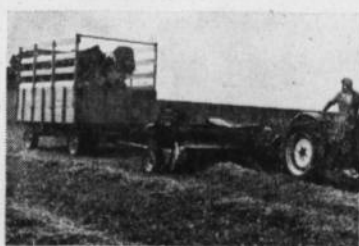

Today there's a new way to bale—that lets one man bale and load faster than a 2- or 3-man team! The new system consists of a New Holland Hayliner plus a simple, foolproof mechanism that "airlifts" the bales into a trailing wagon.

It costs surprisingly little. In fact, the lowest priced Hayliner—the new Compact Hayliner 65 with Tele-Flow feed—costs no more with Bale-Thrower than many balers without automatic wagon loading! You get the job done in half the time—all by yourself! See us about a demonstration today.

There's that commercial piece about the tiger in the tank. So what do you do when you've got a lion in a tub at a Lake McGregor Race Meet parade? Best thing is to just humor him and keep your distance to avoid embarrassment.

Bob Healy of the Milo-Queenstown Lions Club heads up this "Lions Clean Around The World" bit which represents a lot of wacky but ingenious ideas that go into each club float in the Lake McGregor Meet parade each year.
